5 Please read the terms and conditions very carefully before becoming a member of Deltaserat.

6 By becoming a member of Deltaserat you agree to be bound by these terms and conditions and you
7 agree with our privacy policy¹. If you do not accept these terms and conditions and our privacy
8 policy you cannot become a member of Deltaserat.

9 We hold the right to change the terms and conditions at any given time which can then be found on
10 our website. Please revisit the terms and conditions periodically to stay up-to-date with any changes.
11 If you object to the new terms and conditions please terminate your membership.

13 **I. Payment of membership contribution**

14 *1.1 – Debit authorization*

15 As a member of Deltaserat you agree with signing two direct debit authorizations. Authorization is
16 given by checking the payment approval box when signing up on the website and by filling in and
17 signing the physical SEPA mandate form that the board will provide to you in person. By signing both
18 authorizations you allow for the agreed upon amount to be debited from your bank account
19 periodically by Deltaserat until a formal termination of the membership has been requested or when
20 the membership has been terminated by the board.

22 *1.2 – Exemption of payment*

23 Exemption of payment is only available in case a member was not able to train due to force majeure,
24 in the case of a scholarship or when a member has cancelled their membership within a month after
25 signing up as a member. Any force majeure has to be proven and will be judged by the board.

27 *1.3 – Payment options*

28 1.3a Payment per semester

29 By choosing for the 'payment per semester' option you agree to sign up for a
30 membership at Deltaserat for the entire semester in which the date of signup falls.
31 You allow Deltaserat to debit €75.00 from your bank account to cover the cost of
32 the membership over this semester. The first semester runs from September until
33 January and the second semester runs from February until June. The membership
34 contribution of the first semester will be debited between November 25 and
35 November 30 and the membership contribution of the second semester will be
36 debited between April 25 and April 30. Within each month the membership
37 contributions are debited all members will be notified when the direct debit will
38 exactly take place. When signing up during July or August your membership start in
39 September and will be treated equally to a signup during the first semester. Signing
40 up after the debit date of the semester you are required to manually transfer the
41 agreed upon amount to Deltaserat. All memberships will automatically be continued
42 after every semester until a formal termination of the membership has been
43 requested or when the membership has been terminated by the board.

45 1.3b Monthly payment
46 By choosing for the 'monthly payment' option you agree to sign up for a
47 membership at Deltaserat for the entire month in which the date of signup falls. You
48 allow Deltaserat to debit €20.00 from your bank account to cover the cost of the
49 membership over this month. The membership contribution will be debited on the
50 final day of each month. All members will be notified when the membership
51 contributions are debited. When signing up during July or August your membership
52 start in September and will be treated equally to a signup in September. Your
53 membership will automatically be continued after every month until a formal
54 termination of the membership has been requested or when the membership has
55 been terminated by the board.

56
57 1.4 – *Altering the payment option*

58 Switching from 'payment per semester' to 'monthly payment' or vice versa can only be done at the
59 end of the membership period the member signed up for agreed or agreed to switch to previously
60 (i.e. at the end of a month or semester). The amount of membership contribution to pay when
61 switching from 'monthly payment' to 'payment per semester' will be calculated based on the following
62 formula: $€75.00 - €15.00 \times n$, with 'n' being the number of months within a semester that the
63 member requesting the switch has already been a member for. Requesting an alteration of payment
64 method can only be done within a period of thirty days before the alteration is to take place.
65 Alteration of a payment option can only be performed once per academic year.
