0. Introduction

Please read the terms and conditions very carefully before becoming a member of Deltaserat. By becoming a member of Deltaserat you agree to be bound by these terms and conditions, and you agree with our privacy policy¹. If you do not accept these terms and conditions and our privacy policy, you cannot become a member of Deltaserat. We hold the right to change the terms and conditions at any given time which can then be found on our website. You will be notified of any changes to the terms and conditions by email. Please revisit the terms and conditions periodically to stay up to date. Members can write a formal complaint to intern@deltaserat.com in case of disagreement with the updated terms and conditions.

1. Payment of membership contribution

1.1 - Debit authorization

As a member of Deltaserat you agree with authorizing a direct debit mandate. Authorization is given by paying the first term when signing up on our website. The payment of the first term verifies your mandate. This way you allow for the agreed upon amount to be debited from your account periodically by Stripe Payments on behalf of Deltaserat. The mandate will be valid until a formal termination of the membership has been requested or when the membership has been terminated by the board.

1.2 - Exemption of payment

Exemption of payment is only available when: the member was not able to train due to force majeure; a scholarship applies to the member; the member has cancelled their membership within a month after signing up as a member. Any force majeure has to be proven and will be judged by the board.

1.3 - Payment interval

When you sign up for a membership at Deltaserat you agree to be a member for at least the entire month in which the date of signup falls. You allow Deltaserat to debit €20.00 from your bank account to cover the cost of the membership over this month. The membership contribution will be debited each month on the day corresponding to when the membership was first initiated. During July and August no membership contributions will be collected. When signing up during July or August your membership starts in September and will be treated equally to a signup in September. Your membership will automatically be continued every month until a formal termination of the membership has been requested or when the membership has been terminated by the board.

¹Our privacy policy can be found on www.deltaserat.com

2. Rules

As a member of Deltaserat you agree to behave respectfully towards the trainers and your peers. Members of other associations that are not associated with ACLO are not allowed to train at Deltaserat unless they have formally requested to be a member and have been accepted by the board. Deltaserat has the full right to dismiss members and deny entrance to the dojo when the concerning member has been deemed of unruly behavior and has been warned twice. In extreme cases Deltaserat has the right to dismiss a member without warning.

3. Safety

As a member of Deltaserat you agree to take into account your partner's size and skill level. When training together the more advanced and/or bigger training partner will adjust to the level of the smaller and/or less experienced member. Members will always follow the instructions of the trainer and/or board. As a member of Deltaserat you agree to wear appropriate attire. Members are not allowed to wear jewelry during training. In kickboxing men are required to use either 14oz or 16oz gloves and women are required to use 12oz or 14oz gloves. All members are obliged to wear protective gear where necessary.

4. Membership cancellation

A membership at Deltaserat can only be cancelled by sending an email to penningmeester@deltaserat.com. Any other forms of cancellation (such as replying to an email, sending an email to a different email address or verbal cancellation) are invalid. Cancellation of membership takes effect the month following the request for cancellation. For instance, sending the request within October will result in termination of membership from November 1st.

The board holds the right to terminate memberships at any given time when they establish a good reason to do so. Any member whose membership is terminated by the board will be notified.

5. Accountability of injury and loss of goods

Deltaserat cannot be held accountable for any physical harm caused during training or inside the dojo. Deltaserat cannot be held accountable for missing goods.
